Mayor's Report

- Homecoming Parade Resolution submitted by UHS for approval
- Radar Signs – Letter from Steve Beran, District 6 Engineer was discussed and shared with all board members. The letter stated that unauthorized radar speed signs had been erected along IL 61. The information in the lengthy letter, a copy of which is attached to and made a part of these minutes, was disputed by board members in attendance. Village Secretary Debbie Schlipman had sent an email dated August 6, 2024, disputing the facts in the letter and attached a copy of a letter dated December 5, 2017, giving the village permission to install the signs. At the time of the meeting there had been no reply to the email questioning the order to remove the radar speed sign.
- Pickle Ball Courts – See sign info above. Discussion was held regarding benches or other seating options for participants and spectators.
